

WHAT TO DO WHILE ON A ZOOM CALL

Pretend that you are sitting at your desk in the classroom.

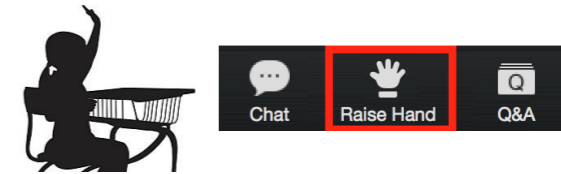

Stay sitting in one spot, making sure you're in the middle of the computer screen.

Everyone will be muted except for the teacher so that there are no distracting sounds.

If you have a question, raise your hand and click the 'Raise Hand' button so the teacher knows to call on you!

Just like in the classroom, you will need to stay in your seat until the lesson has ended!

Remember to be respectful of your friends and what they have to say!
